

CURRICULUM VITAE

Daniel Le Grange, Ph.D.

ADDRESS

The University of Chicago
 Department of Psychiatry & Behavioral Neuroscience
 5841 S. Maryland Avenue, MC 3077
 Chicago, IL 60637, USA
 Telephone: +1 773 702-9277
 Facsimile: +1 773 702-9929
 E-mail: legrange@uchicago.edu
 Website: www.eatingdisorders.uchicago.edu

EDUCATION AND TRAINING

Undergraduate

BA (Psychology), University of Johannesburg, South Africa	1980
BA (Hons) (Psychology), University of Johannesburg	1981

Graduate

MA (Clinical Psychology), University of Johannesburg	1983
PhD (Psychology), University of London, UK	1989

Postdoctoral Training

Eating Disorders, University of London	1990-1991
Eating Disorders, Stanford University, California, USA	1994-1995

LICENSURE

1997	Clinical Psychologist	State of Illinois, # 005579
1998	Clinical Psychologist	New York State, # 013380 (inactive)

PROFESSIONAL EXPERIENCE

Academic Appointments:

1990-1991	Postdoctoral Research Worker. Department of Child and Adolescent Psychiatry, Institute of Psychiatry, University of London, UK.
1991-1994	Senior Lecturer in Psychology. Department of Psychology & The Child Guidance Clinic, University of Cape Town, South Africa.
1994-1995	Postdoctoral Fellow in Eating Disorders. Department of Psychiatry and Behavioral Sciences, Stanford University School of Medicine, CA.
1996-1998	Research Assistant Professor of Psychiatry and Fellow, Applied Behavioral Medicine Research Institute, Department of Psychiatry, State University of New York at Stony Brook, NY.

- 1998-2005 **Assistant Professor of Psychiatry.** The University of Chicago, Department of Psychiatry & Behavioral Neuroscience, Chicago, IL.
- 2005-2008 **Associate Professor of Psychiatry.** The University of Chicago, Department of Psychiatry & Behavioral Neuroscience, Chicago, IL.
- 2009-date **Professor of Psychiatry (with tenure).** The University of Chicago, Department of Psychiatry & Behavioral Neuroscience, Chicago, IL.

Visiting or Honorary Appointments:

- 2008 **International Visiting Fellow.** University of Sydney, Department of Psychology, Sydney, Australia (March through May).
- 2009-date **Visiting/Honorary Professorial Fellow in Child and Adolescent Eating Disorders.** University of Melbourne, Department of Pediatrics, Melbourne, Australia.

Clinical Appointments:

- 1990-1991 **Staff Clinical Psychologist.** Department of Children and Adolescents, Bethlem Royal and the Maudsley Hospital, London. Department Psychiatry and The Eating Disorders Unit: Bethlem Royal and the Maudsley Hospital, London, UK.
- 1991-1994 **Consultant Clinical Psychologist.** Child Guidance Clinic, University of Cape Town, Department of Psychiatry, Stellenbosch University Medical School, and Kenilworth Clinic Eating Disorders Unit, Cape Town, South Africa.
- 1994-1995 **Postdoctoral Fellow in Eating Disorders.** Behavioral Medicine Clinic, Department of Psychiatry and Behavioral Science, Stanford University School of Medicine, Stanford, CA.
- 1998-date **Director, Eating Disorders Program.** The University of Chicago Medical Center, Department of Psychiatry & Behavioral Neuroscience, Chicago, IL.

PROFESSIONAL HONORS AND AWARDS

- 1978-1980 Anglo American Academic Merit Award, South Africa.
- 1980 Free Press Award, Best Student in Sociology, Johannesburg University, South Africa.
- 1981 BA (Hons) Cum Laude, Honors Grant, Human Sciences Research Council, South Africa.
- 1982-1983 MA Cum Laude, Masters Grant, Human Sciences Research Council, South Africa.
- 1983 Doctoral Grant, Human Sciences Research Council, South Africa.
- 1986-1989 Overseas Research Student Award, Committee of Vice-Chancellors and Principals of the Universities of the United Kingdom (UK).
- 1987 Tregaskis Bequest Award, University of London, UK.
- 1988 Top rated abstracts, Academy for Eating Disorders, New York, NY.
- 1993 Bremner Bequest Award, University of Cape Town, South Africa.

2002 Elected Fellow of the Academy for Eating Disorders.
 2005-2006 Chair's Award for Most Outstanding Teaching, The University of Chicago, Department of Psychiatry.
 2006-2007 Chair's Award for Outstanding Scholarship, The University of Chicago, Department of Psychiatry.
 2007-2008 Chair's Award for Outstanding Scholarship, The University of Chicago, Department of Psychiatry.
 2008-2009 Chair's Award for Outstanding Scholarship, The University of Chicago, Department of Psychiatry.
 2010-2011 Chair's Award for Outstanding Scholarship, The University of Chicago, Department of Psychiatry.

RESEARCH SUPPORT: GRANTS & CONTRACTS

"Family therapy for adolescent bulimia nervosa: A controlled comparison" NIMH (K23 MH01923). Principal Investigator. USD 730,000; 04/01/2001 - 03/31/2006.

"Family treatment for adolescent anorexia nervosa" NIMH (R01 MH070620). Principal Investigator. USD 1,250,000; 03/01/2004 - 02/28/2009.

"Treatment of adolescent anorexia nervosa" NIMH (R01 MH070620S – Diversity Supplement). Principal Investigator. Recipient Renee Hoste. USD 209,068; 06/05/2005 – 05/31/08.

"Ecological Momentary Assessment of anorexia nervosa" NIMH (R01 MH059674). Co-Investigator (Subcontract PI: S. Wonderlich). USD 507,663; 01/01/2006 - 12/31/2010.

"Does inpatient weight restoration prior to outpatient family therapy improve outcomes in adolescent anorexia nervosa?" NHMRC (Project Grant 457235). Co-Principal Investigator (Co-PIs: S. Touyz, J. Lock). AUD 528,000; 01/01/2007 - 12/31/2009.

"A randomized controlled trial of non-specific clinical management versus CBT in chronic anorexia nervosa" NHMRC (Project Grant 457419). Co-Principal Investigator (Co-PIs: S. Touyz, H. Lacey). AUD 505,563; 01/01/2007 - 12/31/2009.

"A family system approach to weight restoration in young adults with anorexia nervosa" University of Sydney, International Research Fellowship. Principal Investigator. AUD 20,500; 03/01/2008 - 05/31/2008.

"Intake surveys of alliTM use among eating disorder patients" GlaxoSmithKline Consumer Healthcare. Site PI (Subcontract PI J. Mitchell). USD5,016.00; 07/01/2008 – 06/30/2009.

"Treatment of adolescent bulimics" NIMH (R01 MH079979). Principal Investigator. USD1,500,000; 07/01/2008 – 06/30/2013.

"Latinos, Culture, and Obesity" NCI (R21-CA131433). Co-Investigator (PI: L. Sanchez-Johnsen). USD375,000; 07/01/2008 – 06/30/2010.

"Parent-Based Treatment of Pediatric Overweight" NICHD (R21-HD057394). Co-Investigator (Subcontract PI: K. Loeb). USD375,000; 07/01/2008 – 06/30/2011.

“Treatment of adolescent bulimics” NIMH (R01 MH079979 – Administrative Supplement). Principal Investigator. USD208,662; 06/01/2009-02/28/2013.

“Regional postdoctoral training grant in eating disorders research” NRSA T32 MH 082761. S. Crow (Program Director), D. Le Grange and J. Mitchell (Site Directors). USD1,824,771; 07/01/2009-06/30/2014.

“Child and adolescent eating disorders” Baker Foundation, Melbourne, Victoria. S. Co-Principal Investigator (Subcontract PI: S. Sawyer). AUD2,500,000; 06/01/2009-05/31/2015.

“Family-based treatment for young adults with anorexia nervosa” NIMH (R34 MH083914). MPIs: D. Le Grange and E. Chen. USD 350,000; 07/01/2010-06/30/2013.

“SSRIs and Self-harm in Borderline Personality Disorder” NIMH (RO1 MH084904). Co-Investigator (PI: M. McCloskey). USD 1,800,000.00; 8/25/2010 to 7/31/2015.

“Cultural Factors Underlying Obesity in Latino Men” NCI (R21CA143636-01). Co-Investigator (PI: Sánchez-Johnsen). USD 250,000.00; 7/1/2010-6/31/2012.

“Adaptive Family Treatment for Adolescent Anorexia” NIMH (R34-MH093768) PI: D. Le Grange. USD 718,747.00; 9/01/2011-8/31/2014.

Mentored Projects

“Novel group parent training program for anorexia nervosa” NIMH (K23). Principal Investigator: N. Zucker (Duke University), Role: Mentor, 03/01/2005 - 06/30/2010.

“Early identification and treatment for anorexia nervosa” NIMH (K23). Principal Investigator: K. Loeb (Mount Sinai School of Medicine), Role: Mentor, 09/01/2005 - 08/31/2010.

“Dialectical behavior therapy for overweight binge eaters” NIMH (K23). Principal Investigator: E. Chen (The University of Chicago), Role: Primary Mentor, 06/01/2008 - 05/31/2013.

“Cognitive Behavioral Therapy for Intermittent Explosive Disorder” NIMH (K23). Principal Investigator: M. McCloskey (The University of Chicago), Role: Mentor, 08/01/2006 – 07/31/2009.

EDITORIAL BOARDS

1993 Invited Co-guest Editor: *South African Journal of Continuing Medical Education* (Special edition on Eating Disorders)

2006 – present *International Journal of Eating Disorders*

2007 – present *European Eating Disorders Review*

2010 – present *BMC Psychiatry* (Associate Editor)

Ad Hoc Reviewer: *American Journal of Psychiatry, Australian Clinical Psychologist, Annals of Behavioral Medicine, Appetite, Archives of General Psychiatry, Behavior Therapy, Culture, Medicine and Psychiatry, European Eating Disorders Review, Eating and Weight Disorders, International Journal of Eating Disorders, Health Psychology, Journal of Behavioral Medicine, Psychology and Health, Journal of Behavioral Medicine, Journal of*

Clinical Psychology, Journal of the American Medical Association, Journal of the American College of Nutrition, Journal of Applied Social Psychology, Journal of Family Therapy, Journal of Psychosomatic Research, Journal of the American Academy of Child and Adolescent Psychiatry, Transcultural Psychiatry.

PROFESSIONAL & SCIENTIFIC SOCIETIES

1993-1994 Chairperson, National Eating Disorders Coordinating Committee, South Africa
 1996-present Academy for Eating Disorders
 1996-present Eating Disorders Research Society
 2007-present Member, Clinical and Scientific Advisory Council, National Eating Disorders Association

INVITED PLENARIES, LECTURES OR WORKSHOPS

1989 Assessing change in anorexic families. Department of Child Psychiatry, Warneford Hospital, University of Oxford. Oxford, England. Invited Lecture, September.

1990 Eating disorders: An update. Department of Psychiatry, University of the Witwatersrand Medical School. Johannesburg, South Africa. Invited Lecture, March.

The in-patient management of severe anorexia nervosa. Department of Pediatrics, University of the Witwatersrand Medical School. Johannesburg, South Africa. Invited Lecture, April.

1992 Eating Disorders and its treatment. Department of Psychology, University of Natal. Durban, South Africa. Invited Lecture, February.

Family therapy for anorexia and bulimia nervosa. Department of Exercise Physiology, University of Cape Town Medical School. Cape Town, South Africa. Invited Lecture, February.

Family Therapy Trials at the Maudsley Hospital, 1986-1991. Natal Psychiatric Association. Durban, South Africa. Invited Lecture, May.

The management of Eating Disorders. Department of Clinical Psychology, University of Natal. Pietermaritzburg, South Africa. Invited Workshop, July.

Eating disorders and The Maudsley Family Therapy Trials. Department of Child Psychiatry, University of Stellenbosch Medical School. Stellenbosch, South Africa. Invited Lecture, October.

1993 Family therapy with adolescent anorexia nervosa. Department of Child Psychiatry, University of Cape Town Medical School. Cape Town, South Africa. Invited Lecture, March.

The etiology of eating disorders; Typical behaviors of patients with eating disorders; and Dealing with the difficult patient. Eli Lilly (SA) Eating Disorders Forum. Johannesburg, South Africa. Invited Presentations, May.

- The etiology and treatment of eating disorders. Department of Clinical Psychology, University of the Western Cape. Cape Town, South Africa. Invited seminar, June.
- Cognitive-Behavioral treatment for bulimia nervosa. Department of Psychiatry, University of Stellenbosch Medical School. Stellenbosch, South Africa. Invited Lecture, July.
- The treatment of eating disorders. Huntersgraig Hospital. Port Elizabeth, South Africa. Invited seminar, August.
- Controlled treatment trials in eating disorders. Department of Psychiatry, University of Cape Town Medical School. Cape Town, South Africa. Invited lecture, August.
- Family treatments in adolescent anorexia nervosa. 9th National Congress of Child & Adolescent Psychiatry and Allied Professions. Cape Town, South Africa, September.
- Cognitive Behavior Therapy for bulimia nervosa. Child and Family Unit, Lentegeur Hospital. Cape Town, South Africa, South Africa. Invited lecture, October.
- 1994 Redefining the psychosomatic family: A study of 26 eating disorder families. Department of Psychiatry, The Toronto Hospital, Toronto, Canada. Invited lecture, January.
- Cognitive Behavior Therapy: Principles and value in the treatment of eating disorders. Second Eli Lilly Forum on Eating Disorders. Johannesburg, South Africa. Invited lecture, July.
- 1995 Eating and general psychopathology in Caucasian and minority subjects. Eating Disorders Action Group, Western Cape, Cape Town, South Africa. Invited lecture, December.
- 1998 Controlled treatment studies in eating disorders. A view of the past 10 years. Department of Psychiatry, School of Medicine, SUNY at Stony Brook, NY. Grand Rounds, February.
- The culture specificity of eating disorders. 10th Biennial Congress of the Society of Psychiatrist, Johannesburg, South Africa. Invited Lecture, September.
- 1999 Anorexia nervosa: An update on treatment. Department of Psychiatry, La Grange Hospital, Chicago, IL. Grand Rounds, January.
- Manualized family therapy for adolescents with anorexia nervosa. Department of Psychiatry, University of British Columbia, Vancouver, Canada. Workshop, July.
- Eating disorder pathology in South African Caucasian and non-Caucasian students. 11th World Congress of Psychiatry, Hamburg, Germany. Paper, August.
- Is there a gold-standard treatment for adolescents with anorexia nervosa? Department of Pediatrics, The University of Chicago Hospitals, Chicago, IL. Grand Rounds, August.
- Controlled treatment trials for adolescent anorexia nervosa. Department of Psychology, University of Illinois at Chicago, Chicago, IL. Seminar, December.

- 2001 Controlled treatment studies for adolescent eating disorders. Department of Psychiatry, The University of Chicago, Chicago, IL. Grand Rounds, February.
- Manualized family therapy for adolescents with anorexia nervosa. Castlewood Treatment Center for Eating Disorders, St Louis, MO. Workshop with James Lock, MD, February.
- How helpful are parents in the treatment of adolescent eating disorders? Food: Friend and Foe, ANAD Conference on Eating Disorders. La Grange, IL. Paper, March.
- Manualized family therapy for adolescents with anorexia nervosa. Mary Bridge Children's Hospital and Health Center, Tacoma, WA. Workshop with James Lock, MD, March.
- Manualized family therapy for adolescents with anorexia nervosa. Kaiser Permanente Group, Stanford, CA. Workshop with James Lock, MD, April.
- Family therapy for eating disorders. Eating Disorders Conference and Meeting of the Iowa Psychiatric Society, Iowa City, IA. Paper, June.
- Family therapy for eating disorders. Eating Disorders Program, Department of Psychiatry, Columbia University, New York, NY. Seminar, August.
- Family therapy for adolescent eating disorders: An update. Department of Pediatrics, The University of Chicago, Chicago, IL. Grand Rounds, September.
- Treatment of adolescent bulimia nervosa. Eating Disorders Program, Department of Psychiatry, Northwestern University, Chicago. Seminar, October.
- Manualized family therapy for adolescents with anorexia nervosa. Eastern Ontario Children's Hospital, Ottawa, Canada. Workshop with James Lock, MD, October.
- Manualized family therapy for adolescents with anorexia nervosa. Academy for Eating Disorders Regional Training Workshops, Atlanta and Chicago. Workshop, October.
- 2002 Family treatment for eating disorders. Department of Neuroscience, University of North Dakota, Fargo, ND. Grand Rounds, April 2002.
- Manualized family therapy for adolescents with anorexia nervosa. Neuropsychiatric Research Institute, Fargo, ND. Workshop with James Lock, MD, April.
- Family-based treatment for adolescent eating disorders. Department of Psychology, RUSH St. Luke's Presbyterian Medical Center, Chicago, IL. Colloquium, May.
- Manualized family therapy for adolescents with anorexia nervosa. Department of Psychiatry, Halifax, Nova Scotia. Workshop with James Lock, June.
- Evidence-based treatments for adolescent eating disorders. Department of Psychiatry, Douglas Hospital/McGill University, Montreal, Quebec. Grand Rounds, June.

- Manualized family therapy for adolescents with anorexia nervosa. The Emily Program, Minneapolis, Minnesota. Workshop with James Lock, MD, September.
- Recruitment and retention challenges in treatment trials. Research priorities for anorexia nervosa: A two-day workshop. NIMH, Rockville, Maryland. Invited Paper, September.
- Family-based treatment for adolescent eating disorders. Invited Paper. Highland Park Hospital Eating Disorders Program, Highland Park, IL. Invited Lecture, December.
- 2003 Manualized family therapy for adolescents with anorexia nervosa. Department of Psychiatry, Westmead Children's Hospital, Sydney, Australia. Workshop with James Lock, MD, February 2003
- Anorexia nervosa: A therapeutic approach directed at the family. International Symposium on Advances in the Pathophysiology and Treatment of Obesity, Bulimia and Anorexia Nervosa. Madrid, Spain. Invited Paper, May.
- A controlled trial of family-based treatment for adolescent bulimia nervosa: An update. Department of Psychiatry, The University of Chicago Hospitals, Chicago, IL. Grand Rounds, May.
- Evidence-based treatments for adolescent eating disorders. Department of Psychiatry, Northwestern University, Evanston Hospital, Evanston, IL. Grand Rounds, May.
- Manualized family therapy for adolescents with anorexia nervosa. Eating Disorders Program, Duke University, Durham, NC. Workshop with James Lock, MD, June.
- Family-based treatment for adolescent anorexia nervosa: The Maudsley approach. National Eating Disorders Association Annual Meeting, St Charles, IL. Paper, October.
- Family-based treatment for adolescent bulimia nervosa: A controlled comparison. The University of Iowa, Iowa City, IA. Research Seminar, November.
- Parental involvement in anorexia nervosa post hospitalization: Help or hindrance? The University of Iowa, Iowa City, IA. Grand Rounds, November.
- 2004 Family-based treatment for adolescent eating disorders. Eating Disorders Program, Edward Hospital, Naperville, IL. Invited Lecture, February.
- Manualized family-based treatment for adolescent anorexia nervosa: A case series. Department of Psychiatry, Royal Prince Alfred Hospital, University of Sydney, Australia. Invited Lecture, March.
- Family-based treatment for adolescent bulimia nervosa: A controlled comparison. Academy for Eating Disorders Annual Meeting. Orlando, FL. Invited Plenary Presentation, May.
- Manualized family therapy for adolescents with anorexia nervosa. Department of Psychiatry, St. John's, Newfoundland, Canada. Workshop with James Lock, MD, May.

- Manualized family therapy for adolescents with eating disorders. Unity Health Care, University of Rochester, Rochester, NY. One-day seminar, June.
- Manualized family therapy for adolescents with anorexia nervosa. Department of Psychology, Boston University, Boston, MA. workshop with James Lock, MD, July.
- Family-based treatment for adolescent eating disorders. Department of Psychiatry, Northwestern University, Chicago, IL. The Warren Wright Lecture, December.
- 2005 The paucity of randomized controlled treatment trials in adolescent eating disorders. Department of Psychiatry, The University of Chicago, Chicago, IL. Grand Rounds, January.
- Family-based treatment for adolescent eating disorders. Department of Psychiatry, Children's Memorial Hospital, Chicago, IL. Seminar, February.
- Parents of eating disorder adolescents: Help or hindrance? Sydney, Australia. The Second Peter Beumont Memorial Lecture, March.
- Eating Disorders in Adolescents: Psychopathology, Behaviors and Treatment. South Suburban Hospital, Hazel Crest, IL. Lecture, April.
- The progress of ethnic minority adolescents in family-based treatment. 11th International Conference on Eating Disorders. Montreal, Canada. Paper, April.
- Helping families help their adolescent with anorexia nervosa: A clinician's perspective. Department of Psychiatry, Advocate Lutheran General Hospital, Park Ridge, IL. Grand Rounds, May.
- Evidenced-based treatment for adolescent eating disorders: The role of the family. University of Iowa Family Conference. Cedar Rapids, IA. Lecture, May.
- Eating disorders and the University of Chicago Program. Department of Pediatrics, The University of Chicago, Chicago, IL. Grand Rounds, June.
- Family-based treatment for adolescent anorexia nervosa: A manualized approach. Suburban Center for Eating Disorders, Bethesda, MD. Workshop with James Lock, MD, July.
- Family approaches to eating disorders. Second Hispano Latin American Conference on Eating Disorders. Monterrey, Mexico. Invited Plenary Presentation, October.
- Evidenced-based treatment for adolescent eating disorders: The role of the family. University of Barcelona, Barcelona, Spain. Invited Plenary Lecture, November.
- 2006 Evidenced-based treatment for adolescent eating disorders: The role of the family. Timberline Knolls Eating Disorders Program, La Mont, IL. Lecture, January.
- The Maudsley approach to outpatient treatment for adolescent eating disorders Park House Infant, Child and Adolescent Mental Health Service, Liverpool, Sydney, Australia. Seminar, March.

Family-based treatment for adolescent anorexia nervosa: A manualized approach
Princeton Medical Center, Princeton, NJ. Workshop with James Lock, MD, April.

Family-based treatment and individual therapy for adolescents with bulimia: A controlled
comparison. Department of Psychiatry, University of Minnesota, MN. Grand Rounds,
May.

Family-based treatment for adolescent anorexia nervosa: A manualized approach Eating
Disorders Institute, Methodist Hospital, St Louis Park, MN. Workshop with James Lock,
MD, May.

Family-based treatment and individual therapy for adolescents with bulimia: A controlled
comparison. Department of Psychiatry and Psychology, Mayo Clinic, Rochester, MN.
Grand Rounds, June.

The case for early intervention in eating disorders: Are adolescents really easier to treat
than adults? Eating Disorders Research Society Annual Meeting, Port Douglas,
Queensland, Australia. Plenary Address, August.

Family-based treatment and individual therapy for adolescents with bulimia: A controlled
comparison. Department of Psychiatry, University of Melbourne, Melbourne, Australia.
Colloquium, September.

Family-based treatment for adolescent anorexia nervosa: A manualized approach.
Center for Effective Interventions, Denver, CO. Workshop with James Lock, MD, Nov.

2007 Advances in family-based treatment for anorexia and bulimia nervosa. Northern
California Kaiser Permanente, Berkeley, CA. Workshop, Jan.

Advances in family-based treatment for adolescent eating disorders. The Victoria Centre
of Excellence in Eating Disorders, The Royal Melbourne Hospital, Melbourne, Australia.
Seminar, March.

Recent developments in the treatment of adolescents with eating disorders. Royal
Prince Alfred Hospital, University of Sydney, Sydney, Australia. Seminar, March.

Family-based treatment for adolescent anorexia nervosa: A manualized approach.
Eating Disorders Program, Rogers Memorial Hospital, Oconomowoc, WI. Workshop with
James Lock, MD, April.

Family-based treatment for adolescent bulimia nervosa. Swedish Anorexia and Bulimia
Society, Stockholm, Sweden. Invited Plenary, May.

Family-based treatment for adolescent eating disorder. Eating Disorders Program, North
York General Hospital, Toronto, Canada. Seminar, June.

Family-based treatment for adolescent eating disorders. Center for Excellence for Eating
Disorders, Melbourne, Australia. Seminar, July.

The Maudsley Method (clinical practicum on eating disorders). American Academy of
Child and Adolescent Psychiatry, Boston, MA. Symposium, October.

A controlled comparison of family-based treatment and supportive psychotherapy for adolescent bulimia nervosa. Eating Disorder Research Society Annual Meeting, Pittsburgh, PA. Plenary Address, October.

Family-based treatment for adolescent eating disorders. South West Healthcare Child & Adolescent Mental Health Service, Warrnambool, Australia. Workshop, November.

Case discussion of family-based treatment for adolescent eating disorders. Center for Excellence for Eating Disorders, Melbourne, Australia. Workshop, November 2007.

Treatment model for adolescents with eating disorders. Eating Disorders Forum, Department of Health Services, Melbourne, Australia. Lecture November.

2008 Family-based treatment and supportive psychotherapy for adolescent bulimia nervosa: A controlled comparison. Department of Psychiatry, Mt Sinai School of Medicine, New York, NY. Grand Rounds, February.

Family-based treatment for adolescent anorexia nervosa. Center for Excellence for Eating Disorders, Melbourne, Australia. Workshop, April.

The Maudsley approach to treating eating disorders. Sydney Children's Hospital, University of New South Wales, Department of Pediatrics, Sydney, Australia. One-day seminar, May.

Family-based treatment for adolescent anorexia nervosa: A manualized approach. Eating Disorders Unit, British Columbia Children's Hospital, Vancouver, Canada, Workshop with James Lock, MD, June.

Family-based treatment for adolescent bulimia nervosa. Cleveland Center for Eating Disorders, Cleveland, OH. One-day seminar, July.

Family-based treatment for adolescent anorexia nervosa: A manualized approach. Sydney Children's Hospital, University of New South Wales, Department of Pediatrics, Sydney, Australia. Workshop, September.

Family-based treatment for adolescent anorexia nervosa: A manualized approach. Eating Disorders Unit, Mainely Girls, Portland, Maine. Workshop with James Lock, MD, September.

Family-based treatment for adolescent anorexia nervosa: A manualized approach. Baystate Health Eating Disorders Program, Western MA. Workshop with James Lock, MD, October.

Research in Australia: Where do we fit in the world picture? Butterfly Foundation: Facilitating Research into Eating Disorders, Sydney, Australia. Plenary Address, November.

Clinical Case Forum with Center for Excellence in Eating Disorders (CEED). Videoconference with CEED, Melbourne, Australia. December.

- 2009 Family-based treatment for adolescent anorexia nervosa: A manualized approach. Institute for Child and Adolescent Eating Disorders. Palo Alto, CA. Workshop with James Lock, MD, February.
- Why parents are not to blame for anorexia nervosa. The 75th William Beattie Smith Lecture. Dean's Lecture Series. University of Melbourne, Melbourne, Australia. March.
- Family-based treatment for adolescent anorexia nervosa: A manualized approach. Institute of Advanced Studies. University of Western Australia, Perth, Australia. March.
- Application of latent profile analysis for the empirical identification of eating disorder Phenotypes in a clinical sample of adolescents. Eating disorders: Diagnosis and Classification Meeting, Washington DC. March.
- Family-based treatment for adolescent anorexia nervosa: A manualized approach. Center for Excellence in Eating Disorders, Victoria. Melbourne, Australia. April.
- Another look at family-based treatment for adolescent eating disorders. South West Healthcare Child & Adolescent Mental Health Service, Warrnambool, Australia. April.
- Family-based treatment for adolescent eating disorders. International Conference on Eating Disorders. Cancun, Mexico. April (meeting cancelled due to H1N1).
- Evidence for treating adolescent eating disorders. American Psychological Association Annual Convention. Toronto, Canada. August.
- Individual and family therapy for adolescent anorexia nervosa: A controlled comparison. Annual meeting of the Eating Disorders Research Society. Brooklyn, NY. September.
- Family-based treatment for anorexia and bulimia nervosa: The Maudsley Approach. National Capitol Area Half-day Conference on Family-Based Treatment. Bethesda, MD. October.
- Family-based treatments for adolescent eating disorders: Recent Advances. Eating Disorders Awareness Coalition of Waterloo Region, Kitchener, Canada. October.
- A multisite comparison of FBT and AFT for adolescent anorexia nervosa. American Academy for Child and Adolescent Psychiatry Annual Meeting, Honolulu, Hawaii. October.
- Evidence-Based Psychosocial Treatments for Child and Adolescent Eating Disorders. American Academy for Child and Adolescent Psychiatry Annual Meeting, Honolulu, Hawaii. October.
- Outpatient Treatments for Children and Adolescent Eating Disorders. American Academy for Child and Adolescent Psychiatry Annual Meeting, Honolulu, Hawaii. October.
- 2010 A multisite comparison of FBT and AFT for adolescent anorexia nervosa. Department of Psychiatry, Feinberg School of Medicine, Northwestern University, Chicago, IL, Grand Rounds, January.

A multisite comparison of FBT and AFT for adolescent anorexia nervosa. SickKids Psychiatry Rounds, University of Toronto, Toronto, Canada, Grand Rounds, February.

Family-based treatment for adolescent eating disorders. Eating Disorders Program, SickKids, University of Toronto, Toronto, Canada, Workshop, February.

Randomized controlled trials for adolescents with eating disorders. Department of Pediatrics, The University of Chicago, Chicago, IL, Grand Rounds (with Catherine Glunz, MD), March.

Family-based treatment for eating disorders: The Maudsley Approach. Working together for recovery: Families and professionals as partners in eating disorders treatment. Chicago, IL, One-day conference at the Quadrangle Club, April.

A multicenter comparison of adolescent focused therapy and family-based treatment for adolescent anorexia nervosa: Implications for families. Eating Disorders: Meeting the challenge. Sydney, Australia, Plenary Address, May.

A multicenter comparison of adolescent focused therapy and family-based treatment for adolescent anorexia nervosa. Department of Pediatrics, University of Melbourne, Melbourne, Australia, Grand Rounds, August.

Outcomes and implementation of family-based treatment for adolescent anorexia and bulimia nervosa. Eating disorders: New Insight. One-day conference at Sheppard Pratt Hospital, Baltimore, MD, Plenary Address, September.

Why are families necessary for fighting eating disorders? Harper Lecture Series, The University of Chicago Alumni Association, Greenwich, CT, Lecture, September.

Family-based treatment for adolescent eating disorders. Department of Psychiatry, University of the Witwatersrand, Johannesburg, South Africa, Two-Day Seminar, November.

Treatment studies of bulimia nervosa in children and adolescents. Developing Evidence-Based Services for Child and Adolescent Eating Disorders. Two-Day Conference, Institute of Psychiatry, King's College, The University of London, London, Plenary Address, December.

Manualized family-based treatment for adolescent bulimia nervosa. Developing Evidence-Based Services for Child and Adolescent Eating Disorders. Two-Day Conference, Institute of Psychiatry, King's College, The University of London, London, Workshop, December.

2011 Family-based treatment for adolescent eating disorders: The Maudsley Approach. From Research To Recovery, One-day MaudsleyParents.org Conference, La Jolla, California, Plenary Address, January.

Family-based treatment: New applications, Clinical Questions and Controversies. From Research To Recovery, One-day MaudsleyParents.org Conference, La Jolla, California, Seminar with Renee Hoste, PhD., January.

Family-based treatment for adolescent eating disorders: The Maudsley Approach. Department of Pediatrics Northshore Long Island Jewish Hospital, Manhasset, NY, Grand Rounds, February.

Family-based treatment for adolescent eating disorders: The Maudsley Approach. Department of Psychiatry, University of Illinois at Chicago, Chicago, IL, Grand Rounds, March.

Family-based treatment for adolescent anorexia nervosa. Department of Pediatrics, Children's Hospital, Vancouver, BC, Canada. Two-day workshop, March.

Family-based treatment – what dietitians can do to support the model. The Dietitians Association of Australia. Eating Disorders Update for Adolescents and Adults. Melbourne, Australia, Plenary Address, April.

Family-Based Treatment for Adolescent Eating Disorders: "Real World" Practice Implementation, Beyond the Randomized Controlled Trial. 2011 International Conference on Eating Disorders. Miami, FL, Workshop with K. Loeb, J. Jones, N. Zucker, April.

Family-Based Treatment for Adolescent Eating Disorders: From the Maudsley to Chicago. Uniformed Services University of the Health Sciences, Department of Medical Psychology, Bethesda, MD, Seminar, May.

Application of Latent Profile Analysis for the Empirical Identification of Eating Disorder Phenotypes in a Clinical Sample of Adolescents. Eating Disorders Research Society Annual Meeting, Edinburgh, Scotland, Symposium, September, 2011.

TEACHING EXPERIENCE

Graduate:

- | | |
|---|--------------|
| <i>University of London, Institute of Psychiatry</i> | 1990-1991 |
| - Clinical teaching seminar coordinator | |
| <i>University of Cape Town, Department of Psychology</i> | 1992-1994 |
| - Director for Psychotherapy Course (also part of the Psychology Course for the Masters of Medicine in Psychiatry) | |
| <i>State University of New York at Stony Brook, Department of Psychiatry</i> | 1996-1998 |
| - Coordinator of educational activities for Advanced Behavioral Medicine Research Institute | |
| <i>The University of Chicago, Department of Psychiatry</i> | 1998-present |
| - Co-director of the Behavioral Medicine Seminar Series (1998-2000) | |
| - Clinical and research supervision of Pre-doctoral Psychology Interns, Postdoctoral Fellows, and Child and Adolescent Psychiatry Fellows | |
| - Research Seminar for Psychiatry Residents (2009-2011) | |

Undergraduate:

- | | |

PAST TRAINEES (The University of Chicago only)**Name****Present or last Position****Predoctoral Interns/Fellows**

Trisha Meyers, MA	Assistant Professor, University of North Dakota, ND
Shannon Tassava, MA	Mental Health Coordinator, Edina, MN
Kristy Vickers-Douglas, MA	Assistant Professor, Mayo Clinic, Rochester, MN
Lisa Johnsen, MA	Assistant Professor, The University of Chicago
Jill Ehrenreich, MA	Research Assistant Professor, Boston University, MA
Andrea Chronis, MA	Assistant Professor, University of Maryland, MD
Khytam Dawood, MA	Assistant Professor, Pennsylvania State University, PA
Shannon Zaitsoff, MA	Postdoctoral Fellow, Yale University, CT
Kamryn Eddy, MA	Postdoctoral Fellow, Harvard University, MA
Sylvia Herbozo, MA	Postdoctoral Fellow, Yale University, CT
Kathryn Gordon, MA	Assistant Professor, University of North Dakota, ND
Daniel Munoz, PhD	Assistant Professor, University of Indianapolis, IN
Sarah Fischer, PhD	Assistant Professor, University of Georgia, Athens, GA
Angela Smyth, MD	Clinical Associate, The University of Chicago
Chris Thurstone, MD	Assistant Professor, University of Colorado, CO
David Hirsch, MD	Private Practice, Chicago
Simone West, MD	Staff Psychiatrist, Timberline Knowles, La Mont, IL
Jeremy VanDerWeele, MD	Instructor, Vanderbilt University, TN
Julie Pan, MD	Staff Psychiatrist, UCLA Student Psychological Services
Sarah Maguire, MA	Service Development, NSW, Sydney, Australia
Peter Doyle, MA	Postdoctoral Fellow, The University of Chicago
Christopher Womack, MD	Staff Psychiatrist, Lakeshore Hospital, Chicago
Jane Gaffrey, OD	Private Practice, VT
Kelly Berg, MA	Postdoctoral Fellow, University of Minnesota, MN
Kristen Culbert, MA	Postdoctoral Fellow, The University of Chicago
Allissa Haedt-Matt, MA	Pre-doctoral Intern, The University of Chicago

Postdoctoral Trainees

Maureen Dymek, PhD	Assistant Professor, University of North Carolina, NC
Roslyn Binford, PhD	Humboldt Fellow, University of Heidelberg, Germany
Marla Engelberg, PhD	Staff Psychologist, York Hospital, York, Canada
Daniel Munoz, PhD	Assistant Professor, University of Indianapolis, IN
Sarah Fischer, PhD	Assistant Professor, University of Georgia, Athens, GA
Renee Hoste, PhD	Assistant Professor, The University of Chicago
Angela Celio Doyle, PhD	Psychologist, Evidence Based Treatment Centers of Seattle (EBTCS), WA

NRSA T32 Postdoctoral Fellows

Peter Doyle, PhD	Psychologist, Evidence Based Treatment Centers of Seattle (EBTCS), WA
Andrea Goldschmidt, PhD	Postdoctoral Fellow, The University of Chicago
Kristen Culbert, PhD	Postdoctoral Fellow, The University of Chicago

UNIVERSITY AND OTHER SERVICE**Departmental/University**

<i>University of Cape Town, Department of Psychology</i>	1992-1994
- Departmental representative at Faculty of Science meetings	
- Administered departmental library	
 <i>The University of Chicago, Biological Science Division</i>	
- Committee on Appointments and Promotions	2009-present
- Judge, 64 th Annual Senior Scientific Session	05/2010
- Judge, 65 th Annual Senior Scientific Session	03/2011
 <i>The University of Chicago, Department of Psychiatry</i>	
- Grand Rounds Committee Member	2002-present
- Mentorship Committee	2004-present
- Committee on Appointments and Promotions	2005-present
- Eating Disorders Task Force	2007-present

Other ServicesGrant Reviewer Activities (NIMH Study Section):

- Child Intervention Research, October 2004.
- Child Intervention Research, February 2005.
- Adult Psychopathology and Disorders of Aging, October 2008.
- Special Emphasis Panel, October 2008.

Academy for Eating Disorders (AED)

Book Reviews, AED Newsletter	2000–2002
Special Interest Groups Committee Member	2002–2003
Membership Council Chair	2003–2006
Member, Scientific Program Committee	2000–2002
Co-Chair Elect, Scientific Program Committee	2002–2004
Co-Chair, Scientific Program Committee	2004–2006
Member, Scientific Program Committee	2006–2008
Member, Fellows Committee	2008- 2011

National Eating Disorders Association

Member, Clinical and Scientific Advisory Council	2007-present
--	--------------

Family Empowered and Supporting Treatment of Eating Disorders

Member, Professional Advisory Panel	2008-present
-------------------------------------	--------------

Center for Excellence in Eating Disorders, Victoria, Australia

Consultant	2008-present
------------	--------------

f1000medicine.com

Faculty Contributor	2008-present
---------------------	--------------

Training Institute for Child and Adolescent Eating Disorders www.train2treat4ed.com Co-Director	2009-present
Maudsley Parents www.maudsleyparents.org Clinical Advisor	2009-present
